

Protective

AS 930 CP

Solvent-based, stain-proof protective treatment with natural effect and acid-resistant features, for marble, limestone and other acid sensitive materials

AS 930 CP is a solvent-based, protective stain-proofing and acid-proofing treatment with natural look effect. **AS 930 CP** is suitable to provide acid-proof and stain proof features to all the surfaces where this kind of protection is required, such as tables and countertops, vanity tops. **AS 930 CP** is a product with natural-look effect so that, after the application, will not alter the original tone and color of the material.

CHARACTERISTICS AND BENEFITS

- ✓ Excellent **acid-proof properties**
- ✓ Excellent **stain-proofing properties**
- ✓ **Makes cleaning and maintenance operations much simpler**
- ✓ **Will not yellow** over time
- ✓ **Certified for food contact surfaces**

USES

This product **can be used** on both indoor and outdoor surfaces.

Suitable for use on: Marble, Travertine, Limestone and other acid-sensitive stones or materials.

COVERAGE

15/20 m²/Kg

APPLICATION EQUIPMENT

Mellamine Sponge or Melammine Pad

APPLICATION STEPS

Preparing and cleaning the surface

- Carefully clean the surface, making sure to remove any dust or dirt present.
- Never apply AS 930 to wet or damp surfaces.
- Any adjacent surfaces not being treated with the product must be protected.

Application

1. Apply a small amount of product directly on the surface.
2. Distribute the product on the surface by using a clean melammine sponge pad. Be careful to distribute the product homogeneously to cover all the surface and to make a uniform layer of product. Do not let the product get dry during this distributing phase.
3. Wait until the layer of product will be completely dry
4. The product will be completely dry within 1-2 hours after the application, but the stain and acid proof performances will be reached after 24 hours from the application.
5. After the complete curing of the products (after at least 24 hours from its application) is possible to apply the product CP MAIN in order to increase the mechanical and scratch resistance of the treatment.

Protective

AS 930 CP - Solvent-based, stain-proof protective treatment with natural effect and acid-resistant features, for marble, limestone and other acid sensitive materials

INSTRUCTIONS AND GUIDELINES

- Never apply the product to wet, damp or dirty
- Do not apply the product to overly heated surfaces.
- After applying a layer of AS 930 CP, let it curing without re-touching or intervening in the treated area before it is completely dry; this is to prevent uneven finishes after drying.
- Before applying the product to the whole surface, it is advisable to test a small, unexposed area or unused piece to check its suitability for use.
- Avoid to use blades directly on the surface, using instead a proper cutting board

EQUIPMENT CLEANING

At the end of application, the equipment used can be cleaned using white spirit.

SAFETY

When applying the product, always use suitable personal protective equipment and follow the instructions on the product safety data sheet with care.

PHYSICAL AND TECHNICAL INFORMATION

Aspect	: Liquid
Color	: Transparent
Odour	: Solvent hydrocarbons
Specific gravity (20°C)	: 906 ± 10 g/Lt.
Flash point (ASTM D 56)	: 17 °C

STORAGE

Keep the container tightly closed and store in a cool, dry place.

SHELF LIFE

12 months in the original, sealed packaging, stored in a cool, dry place.

PACKAGING

- 1 Kg bottles - 12 bottles per box

HAZARD IDENTIFICATION

H226	Highly flammable liquid and vapour
P210	Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
P280	Wear protective gloves/protective clothing/eye protection/face protection.
P303+P361+P353	IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water [or shower].
P370+P378	In case of fire, use carbon dioxide, foam, chemical powder to extinguish.
P403+P233	Store in a well-ventilated place. Keep container tightly closed.
P403+P235	Store in a wellventilated place. Keep cool.
